Dear PYP Parents,

Lately we have observed an increased number of students coming to school very early before or around 8:00 am playing around in the playground and hallways.

As you know classrooms are not open until 8:45 am and no teachers are on duty in classrooms, hallways or on playground before school start.

If, for some reason, your child has to come early to school she/he should go to Svanereden until school begins. Please contact Svanereden to setup care. It is free in the morning and Svanereden opens at 7:30 am.

In future we will send all students in to Svanereden before and after school. Please be aware that you will be charged for the after school care.

Kind regards,
