

Administration Bulletin

Week 2

1. Welcome back students and families! It was wonderful to hear the students returning and greeting friends and teachers.
2. We have welcomed 6 new students; K2-Tamás Kovács, Grade 1- Madeleine Bendixen, Grade 5- Dániel Kovács, Isabella Willersrud. Next week in Grade 8- Rachel Bentzen, Grade 9- Emma Williams.
3. Mock exams in Mathematics, English and Science are well underway. This is the students first 'formal mock' CIE examination period. It is preparation for Grade 8 Checkpoint exams in April (which are sent away to CIE for grading and assessment), as well as for IGCSE exams in Grade 10. Exam results will be noted on the Student Reports, out on January 27th .

Warm wishes,
