

Dear Parents,

2.12.11

Grades 4 and 5 are very pleased to have successfully closed our first IPC Unit on Rivers. It was a fascinating unit and we have gained a very in-depth knowledge of rivers. We are now launching our second IPC Unit on Artists' impressions of the world, which we are very enthusiastic about getting under way!

In connection with the launching of our new unit, we have planned for grades 4 and 5 to visit Museum Nivaagaard, a local Art museum in Nivå, on Tuesday, December 6th. We will leave at 9:00 sharp and arrive back at the school for the last lesson. Classes will be accompanied by classroom teachers and will be taking public transportation to and from the museum.

Please remember that your child has appropriate clothing depending on the weather and a sack lunch on this day.

Kind regards,

Andreas Ries and Jennifer Skriver
