

15-12-2011

Dear Secondary Families in Grade 8,

Your child has been registered to sit the May 2012 series of Secondary Checkpoint exams. These exams will take place as follows:

English- April 18, 2012

Mathematics- April 19, 2012

Science- April 20, 2012.

Exact times/venue and more information will follow closer to the date. Please note these dates in your calendar and plan for your child to attend. Checkpoint exams are administered internally and then sent off to CIE for marking by trained and skilled examiners.

CIE will send the results back to us, by the end of June, stating the student's strengths and weaknesses in each subject, strengths and weaknesses as a class and where effort should be concentrated for teaching purposes.

Checkpoint exams are an excellent step into, and predictors of performance in, Cambridge IGCSE exams.

Kind regards,

Karen Johansen

Vice-Headmaster
