

November 21, 2011

Dear Parents,

I am excited to announce the second field trip of our current unit 'Animals'! On **Tuesday, 29th of November** K1 will be visiting Olivia's farm. We will go rain(snow) or shine so please make sure that your child is wearing warm clothes. **We will leave the School by 9:15** and will be back by **11:30** for lunch.

K1 loves to have parents come along on our field trips, so we are lucky this time to have 2 helpers!! Julie & Carina have kindly offered to drive us to the farm and we will take public transportation on our way back. All costs for this trip will be covered by our class fund.

When we arrive at the farm, the students will have an opportunity to see some rabbits, cats, dogs & horses. Each child will also get a chance to ride a pony. Thomas (Olivia's dad) who is a professional Jockey will also show us some tricks with the horses. Lastly we will also visit the shop which is on the farm!!

As usual if you have any questions please feel free to ask me during pick up or drop-off.

We look forward to an exciting trip to the Farm!

Sincerely,

Ritu
