

Hørsholm, 14 December 2011

Dear Grade 9 Families.

As you know the trip to Germany was arranged for both the Danish and the international department for all grade 9 students. The destination - for the 6th time - is Weissenhäuser Strand in Northern Germany; a sports/waterland with lots of exciting facilities which are newly renovated and we are looking forward to visiting the place.

Departure from NGG: **Wednesday, February 1, 2012 at 11:30**

Arrival at NGG: **Saturday, February 4, 2012 at 16:00**

The aim of the trip is to combine all ninth graders with a few days of fun yet a structured programme. The students will experience various sports, teambuilding, performances, waterland and much more.

The price is only 900,- DKK as the school is paying a large share.

The price will cover transport, lodging, activities, breakfast and dinner. The students will have to make their own lunch arrangements together with the dinner on Wednesday, 1 February.

The amount will be charged via PBS together with the school fee for February 2012.

It is essential that we are informed immediately if a student will not be able to participate in the trip.

I am convinced that – with my knowledge of the classes – we will have a fantastic and wonderful trip.

We will receive more information about the trip to Germany in due time.

Best regards,

Jan Thrane
